Volume LXXXVI No. 5

In Our 96th Year

Murray, Ky., Tuesday Afternoon, January 7, 1975

15¢ Per Copy

One Section — 10 Pages

Despite the "economic slump" in the rest of the country, major construction projects are much in evidence in Calloway County. At upper left is the remodeling project the First Baptist Church has underway on the old Swann building across from the church. Cranes began hoisting steel into the air at the new downtown Bank of Murray addition this

week (upper right). The exterior of the Speech and Hearing Center (lower left) is nearing completion on the MSU campus. And at lower right, an addition to the Olympic Plaza Shopping Center on N. 12th Street is nearing completion.

## President Ford Planning New Energy Program

WASHINGTON (AP) — Treasury Secretary William E. Simon says President Ford plans a new energy conservation program that "will necessarily mean a degree of personal sacrifice" by all Americans.

Saying a fresh administration energy-economic strategy would be "tough, comprehensive and effective," Simon also hinted Monday at tax cuts and additional help for the nation's unemployed. The Ford program is to be formally announced Jan. 20.

Simon said that despite the sacrifice which would be called for under the energy conservation measures, the President "is fully confident that the American people understand this need and are prepared to meet it."

Meanwhile, Ford's chief economist, Alan Greenspan, told a congressional panel that recovery from the current recession will take many months and is unlikely to reduce spiraling unemployment any time this year.

Greenspan, chairman of the Council of Economic Advisers, testified before the Joint Economic Committee that the country's jobless rate, now 7.1 per cent, probably would climb even higher this year.

Under questioning by the panel, he also said it is logical to assume that unemployment will not be reduced much below 6.5 per cent during 1976.

He said an anticipated turnaround in the depressed automobile and housing industries, along with depletion of industrial inventories, "should begin to lift total production ... during the second half of the year."

Simon, in a New Orleans speech to the American Farm Bureau Federation, said Ford's new economic program will put equal stress on anti-inflation measures and efforts to fight the recession.

On energy conservation, Simon ruled out fuel rationing but declined to provide details on the program which he said would require personal sacrifices.

The administration reportedly is considering a plan to discourage fuel consumption by raising the price of both domestic and foreign oil.

(See Ford, Page 10)

## Hazel Citizens To Discuss Purchase At Thursday Meet

Plans are being made to purchase the lunch room at Hazel for a community center, according to Cy Miller, head of the Hazel Citizens Committee.

A meeting will be held Thursday, January 9, at seven p.m. at the City Hall at Hazel to discuss the plans for the purchase. All interested persons are urged to attend, Miller said.

## Burley Prices Continue On Downward Trend

LOUISVILLE, Ky. (AP) — The sale of burley tobacco resumed Monday with volume 6,645,400 pounds higher than that of Dec. 19 when the burley tobacco markets took their holiday break but the average price per hundredweight continued to drop at \$114.53, down \$1.30 from the pre-break average.

When the markets closed for the nearly three-week-long holiday break, the per hundredweight average had dipped to \$115.83 after a season high of \$120.41 recorded Dec. 5. Springfield warehouses offered farmers the best price for their tobacco with a \$119.75 per hundredweight average on receipt of 876,508 pounds and Greensburg's \$117.74 average per hundredweight on 332,270 pounds.

The lowest per hundredweight average was \$96.69 received by sellers at Henderson for 36,792 pounds of tobacco.

Lexington, the state's largest market, continued to lead in volume with 3,624,812 pounds and a \$115.76 per hundredweight average.

## Weather Forecast

Gradually becoming less this afternoon, cloudy with a chance of rain tonight. High this afternoon in the mid 50s, low tonight in the mid 40s. Rain likely Wednesday. High in the upper 40s.

Variable cloudiness Thursday through Saturday with a chance of showers Friday and Saturday. Lows from the upper 20s to low 30s and highs from the upper 40s to mid 50s throughout the period.

## Board Of Ethics Continuing Look Into Friend Allegations

FRANKFORT, Ky. (AP) — The Legislative Board of Ethics is continuing its look into conflict-of-interest allegations against state Sen. Kelsey Friend, D-Pikeville, but feels its effort is being criticized unjustly.

The board will hear tape-recorded interviews with Friend and others involved in the matter at its next meeting, Feb. 5. Others to be interviewed include Pat Abell, the staff member who drafted a 1974 black lung bill, and Sen. John Chris Cornett, D-Hindman, who sponsored it.

Allegations arose against Friend over his efforts on behalf of a 1974 act setting minimum fees for attorneys in black lung cases. The Workmen's Compensation Board previously set minimum fees as a matter of policy but they were lower than the new statutory minimums.

Friend has received more than \$2 million in black lung fees for each 1972 and 1973, before the new law was passed.

Most board members present objected to editorial criticism

of their not taking some action against Friend.

Some said Friend apparently was not guilty of any illegal conflict of interest and others said Friend should not be presumed to have done anything wrong until proof has been submitted.

Board Chairman Shelby McCallum of Benton, a former House speaker, said there was no apparent conflict of interest since the 1974 law pertained to all lawyers, not just Friend.

"It's as if there were a farmer in the legislature and he could not vote for any bill that helped farmers," McCallum

said. "Then the farmers wouldn't be represented."

Frankfort newspaper publisher Albert Dix appeared to agree. He read a California law which said there would be no conflict of interest as long as no greater benefit or detriment accrued to the person involved than to any other member of his profession.

State Sen. Kenneth Gibson, D-Madisonville, also agreed.

(See Ethics, Page 10)

## Ferrell Miller Named Chairman, Calloway County School Board

The Calloway County School Board held its first meeting of the new year Monday night, with two new members sworn in to the board, and Ferrell Miller elected chairman.

Miller will serve for two years as chairman. Joe Dyer, who was elected vice-chairman, and Walter Byars were sworn in as newly-elected members of the board.

Final payment for the three new county elementary school buildings was approved, withholding \$8,440 for miscellaneous items not completely finished.

The board also voted to nearly double the insurance coverage on the Calloway County High School, increasing it from \$880,000 to \$1.5 million. The increase was made necessary

due to improvements made at the school and to the appreciation in value of the buildings over the past several years.

Several personnel recommendations were approved by the board, and a request from the Temple Hill Eastern Star Chapter to use the North Elementary School for a meeting was approved.

**CALLOWAY SCHOOL BOARD** — Two newly-elected members of the Calloway County School Board were installed at the regular monthly meeting Monday night. From left are, new member Joe Dyer; Billy Joe Stubblefield; Ferrell Miller; Lubie Parrish; and new member Walter Byars. Miller was elected to serve as chairman and Dyer was chosen vice-chairman by the group.

## Red Cross Volunteers At Hospital Meet On Monday

The Red Cross Hospital Volunteers met at 2:30 p. m. Monday in the Murray-Calloway County conference room to fill a few vacancies and inaugurate new policies in reporting hours with Kathryn Glover, chairman, presiding.

Those now working in the positions and the years served are as follows:

Diet: Ann Wood and Clara

Starks, new volunteers; Ola Culver — 7 years, Evanee Hosford — 3 years.

Desk: Sally Henson — 4 years, Ruby Harrell — 1 year, Hazel Tarry — 1 year, Alberta Griffith — 4 years, Mable Gallagher — 1 year, Kathryn Glover — 7 years, Flora Ford — 1 year, Betty Shepard — 2 years, Irma LaFollette — 5 years.

Mall: Marge Kipp — 4 years, Simone Taylor — 1 year, June Lockhart — 7 years, Lillian Graves — 7 years, Annabelle Russell — 7 years.

Convalescent Ward: Clyzell Falwell — 12 years, Frances Whittle — 3 years, Ester Sigmon — 2 years.

X-Ray: Della Taylor — 14 years, Annette Burnham — 1 year.

Substitutes: Deanie Chrisman — 5 years, Kathryn Glover, Alberta Griffith, Betty Shepard and Celia Roberts — 4 years.

Staff Aide: Lorraine Settimo — 2 years.

On temporary leave are: Mary Moyer — 4 years, Elizabeth Marshall — 3 years, Myrtle Jordan — 5 years.

Refreshments were furnished by the hospital dietary department, to the volunteers and Jean Blankenship, Executive Director of the local Red Cross Chapter. Juanita Spiceland, hospital hostess, also attended the meeting.

**Red Cross Hospital Volunteers** are shown at a meeting held Monday at the Murray-Calloway County Hospital. Seated at information desk, Ruby Harrell, left to right, first row, Lillian Graves, Mimi Jordan, Irma LaFollette, Sally Henson, Hazel Garry Tarry, Deanie Chrisman, back row, Kathryn Glover, Betty Shepard, Mable Gallagher, Marjorie Kipp, Frances Whittle, Evanee Hosford, Clyzell Falwell, and Lorraine Settimo.

## Your Individual Horoscope

Frances Drake

FOR WEDNESDAY, JANUARY 8, 1975

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

### ARIES

(Mar. 21 to Apr. 20) You should delight in the many opportunities to better your knowledge and understanding now. Both will help you in making plans for the immediate present and the future.

### TAURUS

(Apr. 21 to May 21) Under the influence of strongly favorable planets, you should be able to capitalize on your talents, increase your holdings and win hitherto unattainable recognition. WORK AT IT!

### GEMINI

(May 22 to June 21) Some unusual situations indicated, extraordinary persons with whom to deal. Use the Gemini's ingenuity and ability to profit by experience in coping.

### CANCER

(June 22 to July 23) Lunar influences stimulate your self-reliance and general ability. You will feel active and enterprising, but make no changes in matters now running smoothly.

### LEO

(July 24 to Aug. 23) Intuition, reflexes, the germination of new ideas stimulated now. Do not take on too much, however, or you could make errors through haste.

### VIRGO

(Aug. 24 to Sept. 23) A top day for displaying your canny sense of timing and ability to cut deadwood from your schedule. Some new opportunities in the offing.

### LIBRA

(Sept. 24 to Oct. 23) Present velocity of action and its direction should lead you to study needs more closely, to determine anew your course and conduct. Avoid a tendency to procrastinate.

### SCORPIO

(Oct. 24 to Nov. 23) A better-than-average day if you remain firm and in the driver's seat — where the Scorpion really belongs.

### SAGITTARIUS

(Nov. 23 to Dec. 21) This day should bring rewards for past efforts even if

you seem to lack the initiative to start new undertakings. If expanding operations, however, move with caution.

### CAPRICORN

(Dec. 22 to Jan. 20) An average day, yet some new opportunities for furthering success will be offered — some hidden, some fairly clear. Listen and look carefully.

### AQUARIUS

(Jan. 21 to Feb. 19) You will have more than a few chances to display your ingenuity and enterprise now. But how you manage and play the game will count heavily.

### PISCES

(Feb. 20 to Mar. 20) For your own benefit and the edification of others, bring to light one of your lesser known talents and capitalize on it. This day calls for ACTION — for which it will pay handsomely.

**YOU BORN TODAY:** Independence, energy, progressiveness and practicality are your most outstanding qualities. You are endowed with a fine intellect and a keen wit which, unfortunately, you sometimes use too sharply, blighting others with biting sarcasm. Try to curb this trait, since it alienates those who could be invaluable friends otherwise. You acquire knowledge readily and always strive for top achievement in whatever your career. Many artists, writers, archeologists and scientists have been born under Capricorn. Birthdate of: Peter Arno, cartoonist, painter; Elvis Presley, singer.

### NEWBORN ADMISSIONS

Baby Girl Kline (mother Joyce E.); Rt. 5-Box 321, Murray.

### DISMISSALS

Mrs. Virgie Ethel Miles, Rt. 2, Dover, Tenn.; Mrs. Blanche B. Hatcher, Rt. 2, Murray; Mrs. Judith Fay Lovett and Baby Girl, Rt. 4, Benton, Mrs. Zula L. Parker, 901 Poplar, Murray.

## Bennett Home Scene Of Hazel Club Meeting

The Hazel Woman's Club met Thursday, December 19, at the Avalon Court, Paris, Tenn.

Following the meal, the club met at the home of Mrs. Hughes Bennett for a short business meeting and exchange of gifts.

Mrs. Gerald Gallimore, president, presided. Mrs. Jackie Butterworth gave the devotion.

A discussion was held on the purchase of the Hazel luncheon as a community center. Miss Debbie Erwin and Mrs. Butch Elliott were accepted as new members.

Mrs. Gallimore presented tokens of appreciation to each member present for their work in the club this year.

The club presented Mrs. Gallimore with a bracelet and necklace.

Mrs. Bennett served refreshments during the social hour to the members and one guest.

## PERSONALS

### HOSPITAL PATIENT

Eric Bartlett of Murray has been a patient at Lourdes Hospital, Paducah.

### PADUCAH PATIENT

Hermes Foster of New Concord has been dismissed from Lourdes Hospital, Paducah.

## Can he get to heaven in a wheelchair?

By Abigail Van Buren

© 1974 by Chicago Tribune-N.Y. News Synd., Inc.

**DEAR ABBY:** Everybody has a problem. Here's one I've never seen in your column. It's my husband's. Charley is an amputee who gets around quite well in his wheelchair, but his biggest problem is finding restrooms with doors that are wide enough to get his wheelchair through.

Perhaps if you print this letter and the enclosed poem (author unknown), architects who design public buildings will be more considerate of folks in wheelchairs.

I burn the rubber off my wheels. I can hardly wait. My wheelchair's 30 inches wide, the john is 28. Some plead for civil justice when they are set upon. I ask for just one freedom, the right to use the john. I've thought about reforming and changing my evil ways.

To be a model of deportment for the remainder of my days. But when I get to heaven and face the pearly gates, St. Peter will say, "You're 30 inches wide. Our gates are 28!"

AVON PARK, FLA.

**DEAR FLA.:** Thanks for combining a serious and worthwhile thought with a bit of humor. I've found that those who have the most to gripe about are the first to see the humor in a difficult situation.

**DEAR ABBY:** I was shocked to discover that even you believe that being single makes a woman a second class citizen.

You told "No words" that the most generous thing she could do for her best friend's daughter, who shocked everyone by coming home with a small child after her promising marriage failed, would be to introduce the divorcee to some eligible bachelor, and keep her socially active. How disgusting!

It sounds as though you are trying to get some homely wallflower out of the closet.

Abby, being single is not a disgrace or some horrible defect that needs to be immediately corrected.

### SINGLE AND SECURE

**DEAR SINGLE:** Granted, not all divorcees want another marriage, but I still think that MOST divorcees would welcome an opportunity to meet eligible bachelors and become socially active again. And those who don't can always decline.

**DEAR ABBY:** Fourteen months ago, my husband and I moved from Waco to Victoria, Texas. A friend from Waco told me to call her sister who lives in Victoria, so I did. This woman calls me every day and ties me up for hours. She won't get off the phone.

I like her very much and wouldn't want to hurt her feelings because she's a very sensitive person, but if I don't call her, she calls me and asks why I didn't call her. If I tell her I've been shopping, she asks why I didn't let her know that I was going shopping so she could go with me.

Her husband does most of the housework and all the marketing, so she's left with nothing to do and thinks everyone else has nothing to do all day like her.

If I have a card game and don't invite her I pray that she doesn't find out because she'll get hurt and angry. I'm afraid I'll have to move out of Victoria to get some peace. I feel like my life isn't my own any more. How do I get out of her clutches without hurting her feelings?

### SMOTHERED IN VICTORIA

**DEAR SMOTHERED:** There is no compromising with possessive people who make you feel guilty if you don't include them in every part of your life. If you want "peace," you'll have to "hurt her feelings" by cutting her phone conversations shorter and shorter. If you haven't the courage to extricate yourself, tolerate the loss of freedom and don't complain.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (20¢) envelope.

## Golden Anniversary

Mr. and Mrs. Guy Boggess

Mr. and Mrs. Guy Boggess of Hardin will celebrate their golden wedding anniversary on Sunday, January 12, with a reception at their home in Hardin.

All friends and relatives are invited to call between the hours of two to 4:30 p.m.

Mr. and Mrs. Boggess were married January 11, 1925, in Hardin by Elder J. S. White. Their attendants were Vivian W. Watkins and Silla M. Benninghoff.

Mrs. Boggess is the daughter of the late Tim and Lela Puckett Henderson. Mr. Boggess, a retired employee of the Murray Division of the Tappan Company, is the son of Albert and Bessie Arnold Boggess.

The anniversary couple has two sons who are Charles I. Boggess of Benton Route Five and Gary W. Boggess of Hardin Route One. Their grandchildren are Eddie, Bobby, and Becky Boggess, and Cynthia Stephens.

## Baptist Women Program Led By Mrs. H. E. Treas

The Baptist Women of the Kirksey Church met on Thursday, January 2, at seven p. m. at the church for the regular monthly program meeting.

Mrs. H. E. Treas was chairman for the program on "Baptists in New England."

Taking part in the discussion were Mrs. Isaiah Treas, Mrs. Jim Washer, Mrs. Orland Tubbs, Mrs. W. A. Erwin, and Mrs. H. E. Treas.

Miss Faye Boggess read the calendar of prayer with scripture from Joshua 4:14-24. She also had the leading prayer for missionaries having birthdays that day.

In the absence of the president, Mrs. Pete Carlisle, Mrs. H. E. Treas presided and led the closing prayer.

## Newcomers Club To Meet Here Thursday

Jenifer Hip of NOW (National Organization for Women) will be the guest speaker at the Welcome Wagon Newcomers Club "Kick Off" meeting to be held Thursday, January 9, at 7:30 p.m. at the Community Room of the Federal Savings and Loan Building, Main and Seventh Streets.

All persons interested in joining the Newcomers Club are encouraged to attend the meeting or contact the club president, Mrs. Del Fleming.

Mrs. Gary Rodemeier, the former Kay Pinkley, daughter of Mr. and Mrs. L. K. Pinkley of Murray, has been named chairman of the 1975 Mothers March against birth defects for the Paducah-McCracken County March of Dimes. Here she meets Martha "Lee" Kinsey, 1975 state poster child for the March of Dimes. Lee, the daughter of Mr. and Mrs. Bobby Kinsey of Sedalia, previously has been poster child for the Jackson Purchase Chapter of the March of Dimes.

## Metric system hangup

The cost of converting the nation to the metric system at a time of inflation and recession may cause Congress to postpone action on a bill to

implement the change, according to Malcolm O'Hagan, executive director of the American National Metric Council.

## Adverse Effects

Smoking in pregnancy has adverse effects on the fetus, the British Medical Journal reported recently. Effects

range from inhibition of fetal growth to an increased risk of perinatal death from all causes.

## Try it!

Looking for the unusual? Toss sliced fresh pears and thin cucumber slices with French dressing. Sprinkle with dill and finely grated lemon peel.

## Fans Hike Bills

Use kitchen and bathroom ventilating fans only when necessary. Such fans raise heating bills by carrying warm air to the outside.

## VITA Program Again Planned By The IRS

Organizations on the lookout for an ideal public service activity might well consider teaming up with an unusual, and perhaps, unlikely partner—the Internal Revenue Service.

For the sixth consecutive year, the IRS is conducting a Volunteer Income Tax Assistance (VITA) program. People helping people with their tax returns is basically what the VITA program is all about.

It's no secret that thousands of low-income taxpayers—especially senior citizens and individuals who speak very little English—find it difficult to prepare their own tax returns. The result is that many of these people turn to a professional tax return preparer for assistance, like millions of other taxpayers who seek out paid professional help during the filing season.

The IRS recognizes the important role carried out by the tax returns preparation industry, but many low-income taxpayers have very simple 1040A returns to prepare and cannot afford to pay for professional assistance.

This is where public service organizations and VITA come into play. If an organization can enlist members willing to help taxpayers complete their tax returns fully and accurately, without charge, the IRS will train these helpers or assistants, as they are called under the VITA program, in basic income tax procedures. This training prepares these assistants to help taxpayers prepare their returns, especially those with simple returns to file.

Volunteers need not have tax backgrounds. With a basic understanding of arithmetic, they can easily master the VITA course. In terms of a commitment, the VITA assistant can devote as much or as little time as he desires to assist taxpayers.

And in scheduling the VITA training sessions, arrangements are left to the discretion of the local group or organization.

Here, in a nutshell, is how VITA works. A local Lions Club, say, comes up with 25 VITA assistants. The Club makes arrangements to have its meeting place available every Wednesday evening from 7 to 9 p.m. for providing free VITA assistance.

The IRS, in turn, trains the assistants, provides them with the necessary forms, schedules and background materials. The IRS also makes available to the Club posters, flyers, and other informational materials to help alert taxpayers to the free assistance. To further promote

the program, the Club is encouraged by the IRS to generate its own publicity.

Right now, the IRS is contacting national public service groups and organizations asking them to participate in the VITA program for 1975. Other national or regional and local organizations which have not been contacted but would like to participate in this unique "people helping" activity should call Loretta Watkins of their local IRS office, (502) 563-5377, and ask about VITA participation.

## BIRTHS

### KELLER GIRL

Mr. and Mrs. Howard H. Keller of Murray are the parents of a baby girl, Christiane Vera, weighing nine pounds, born on Sunday, January 5, at three p.m. at the Murray-Calloway County Hospital.

The new father is an associate professor of Russian and German languages at Murray State University.

Grandparents are Howard H. Keller, Sr., of Miami Beach, Fla., and Mrs. Christiane Thomas of Ittenbach, Germany.

## BIRTHS

**MCWHERTER GIRL**  
Mr. and Mrs. Eugene McWhorter of Murray Route Four are the parents of a baby girl, Crystal Dawn, weighing eight pounds, born on Tuesday, December 31, at 11:42 p.m. at the Murray-Calloway County Hospital.

Grandparents are Mr. and Mrs. Aaron McWhorter of Murray and Mr. and Mrs. Aubrey Stom of Almo Route One.

Great grandparents are Mr. and Mrs. Wilbert McWhorter of Dresden, Tenn., Mr. and Mrs. Alvin Hudgins of Paris, Tenn., Mr. and Mrs. Jesse Stom of Murray, and Mr. and Mrs. Vester Willie of Lynnville.

**KLINE GIRL**  
Molly Elizabeth is the name chosen by Mr. and Mrs. Steven Kline of Murray for their baby girl, weighing seven pounds 1/2 ounce, born Sunday, December 29, at 11:18 a.m. at the Murray-Calloway County Hospital.

The new father is a student at Murray State University and the new mother is a former composing room employee at the Murray Ledger & Times.

Grandparents are Mr. and Mrs. Leo F. Kline of Dixon, Ill., Mrs. Esther Kubitz of Little Rock, Ark., and Edward H. Kubitz of San Francisco, Calif.

## "Courtship Of Civil War Belle"

Discussed By Dr. Hammack, Jr.,

At Meeting Of Local UDC Chapter

The J. N. Williams Chapter of the United Daughters of the Confederacy were recently entertained in the home of Mrs. Fred Gingles.

Mrs. Hess Crossland, chapter

Dr. James Hammack, Jr., vice-president, conducted the opening ceremony and introduced the speaker, Dr. James Hammack, Jr., director of oral history at Murray State University, who chose as his subject, "Love and War: The Courtship of a Civil War Belle."

"More words have been written about the American Civil War than about any other war," Dr. Hammack said. "The aura of glamour which surrounds the War Between the States is, in part, undoubtedly deserved, for this was not only the last romantic war, but the first total war. It took 395,528 union lives to win this war including 267 by court martial, 391 by suicide, 313 by sunstroke, and 529 murdered. How many

died in the Confederate cause will never be known with exactitude, but the figure 258,000 is usually accepted as a reasonable estimate of Southern losses in the war," the speaker said.

Dr. Hammack said from the standpoint of history, however, the guns of the famous battles in the war did more than to destroy men and armies; their thundering reverberations rent apart the very fabric of society, both north and south. Never afterwards was life to be the same in either section of the country. In the midst of all the destruction upheaval and chaos of war time there remained only one constant factor: The impulse of young people to meet, to court each's favor, and ultimately to marry.

The speaker spoke of the love letters of Miss Kate Starr, one of four daughters and two sons of a Paducah family, who seemed to have kept up a steady correspondence with her various beaux throughout the war years. By 1857 Paducah by rail with West Tennessee and Memphis, spur lines led to Columbus on the Mississippi River and to Murray in Calloway County. Miss Starr visited her older sister, Sarah Jane Bowman, in Columbus, and her grandmother and a brother, Joseph F. Starr, in Murray. When possible, Miss Starr preferred to travel by steamboat or coach, but whatever method, she seemed to collect a few new suitors on each trip.

Dr. Hammack said it was the tendency of the period to place women upon a pedestal and woo them in flowery and elegant language at times in almost worshipful terms. The speaker quoted from many of the letters of Miss Starr with most of the being quite ardent and expressed the hope that the writer could be something more than a friend.

The speaker's description of the further adventures in the

courtship of Miss Starr held the attention of his audience to its ending with her marriage to a doctor.

Dr. Hammack holds his master's degree from Memphis State, and received his doctorate at the University of Kentucky. He and his wife, Charlotte, have two children.

A delightful party plate was served by Mrs. Gingles to Mrs. Melas Linn, Mrs. J. O. Chambers, Mrs. E. W. Riley, Mrs. Leonard Vaughn, Mrs. W. Z. Carter, Mrs. Hess Crossland, Dr. Halene Visser, Dr. Mildred Hatcher, and Dr. Hammack.

## Four Are Found Guilty

The nation owes a debt of gratitude to the nine women and three men who sat in judgment during one of the most complicated conspiracy trials in American political history.

After three days of deliberation, the jurors convicted John N. Mitchell, John D. Ehrlichman, H. R. Haldeman and Robert C. Mardian of trying to cover up the Watergate scandal in violation of federal law.

CERTAINLY THE EVIDENCE against Mitchell, Ehrlichman and Haldeman—much of it in their own taped conversations—was so strong that anything less than a guilty verdict would have been difficult to justify.

Mardian argued that he was only flimsily connected to the Watergate discussions through his role as a lawyer for the Nixon campaign committee in 1972. But the jury apparently felt that he, too, was part of the plot to fob off the break-in at Democratic headquarters as a "third-rate burglary" committed without the knowledge or approval of the President's aides.

The jurors showed a commendable desire to separate guilt from innocence by freeing Kenneth W. Parkinson, another Nixon campaign lawyer, who vigorously denied that he was a middleman in the hush-money plot.

Parkinson was the first defendant to have been found innocent in a Watergate case—a tribute to the diligence of the prosecution and to

the seriousness with which juries have regarded the actions of Watergate conspirators, many of them lawyers who flouted the law.

THE JURY IN THE LATEST case spent three months sorting through thousands of spoken and written words and dozens of complex events and relationships.

It would have been easy to use the premature pardoning of former President Nixon—the "maestro" of the coverup, one defense lawyer called him—as a justification for freeing his lieutenants as well.

But Federal Judge John J. Sirica correctly pointed out that the Nixon pardon should have no bearing on the guilt or innocence of the five defendants in the case.

THERE CAN BE NO GREAT JOY in the conviction of men whose careers have been ruined and who may face long jail sentences and heavy fines if their appeals are turned down.

As James Neal, the Tennessee lawyer who prosecuted the case, pointed out: "It's not a happy occasion."

But the people have a right to expect that conspiracy, lying and obstructing of justice will not be tolerated in the White House or anywhere else in American government.

They have a right to expect, as Neal so eloquently told the jury, that all the accounts are balanced before the ledger is closed for good on the Watergate affair.

—The Cincinnati Post

## New Realities, Old Myths

The resignation of Sen. J. William Fulbright appeared to be in keeping with a practice that allows the successor of a retiring senator to gain an advantage in seniority. Four other senators whose service ends with the 93rd Congress resigned in December so their elected successors can be appointed and gain an edge in the perquisites of seniority when the new Congress is organized.

In Sen. Fulbright's case, however, Arkansas law prevents such a maneuver to install Gov. Dale Bumpers to serve out the last few days of his term. The senator chose to resign in order to enhance his retirement benefits. So it goes with the intricacies of senatorial rules and tradition.

Sen. Fulbright's resignation also will begin an assessment of his 32 years of service in Congress, particularly the last 30 years, which he spent in the Senate. The principal focus will be on his 15 years as chairman of the Senate Foreign Relations Com-

mittee—a group that Sen. Fulbright orchestrated with skill, occasionally deflecting presidents from their foreign policies and often jarring the sensibilities of Americans.

Time alone will place the senator in his niche. It will take the crucible of history to bring into perspective the true contribution of this controversial man.

His defeat at the polls last fall, however, dispels the myth that gaining fame in Washington necessarily impresses the folks back home.

## Worth Repeating

CHANDLER, OKLA., NEWS: "Everyone seems to be looking to the...Administration to stop the price increases...The biggest single thing that might cut the pressure towards higher prices would be for the Congress to cut federal spending. The constant deficit spending by the feds is the biggest single inflationary factor, and the root cause of constantly climbing prices."

### Garrott's Galley

## Pumpkins May Be Profitable In Kansas But Not That Big!

By M. C. Garrott

The above photograph is on a 64-year-old post card shared with me by Ronald Churchill. The brief caption simply states: "Pumpkins grown in Kansas soil are profitable." The card was mailed from Yates Center, Kans., on Oct. 7, 1910, to a Miss Ruth St. John at Hazel by a young man by the name of "Ed."

His brief message indicated he was "about half sick" and that he was still waiting for the picture she had promised to send to him.

Now, no one will ever convince me that they ever raised pumpkins that big in Kansas or anywhere else! Three pumpkins filling up a two-horse wagon! I don't believe Texas would even go so far as to stake a claim like that.

This is a trick photograph, I'll bet a pretty penny, and here is the way they did it. Probably someone cut three pumpkins out of another picture, found pictures of a couple of men in the right positions, then proportioned them on the pumpkins with one holding some drawn-in reins.

All this probably was then carefully placed on the flat-bed wagon and re-photographed, producing a new negative showing the huge pumpkins on the wagon with the men seated and standing on them. From this negative, the post card and probably thousands of others like it were printed.

It's a real convincing job, though, and an attention-getting conversation piece.

We pulled a similar trick once in St. Louis when one of our close friends in the sales department was transferred to Sioux Falls, South Dakota, as a sales manager. His name was Dick Heidebreder.

Someone came up with a picture of Mt. Rushmore, the big stone mountain in South Dakota and upon the side of which the huge faces of George Washington, Thomas Jefferson, Abraham Lincoln and Theodore Roosevelt have been carved. I'm sure you either have seen it or pictures of it.

I never have understood how Theodore Roosevelt rated being included in that kind of company. All I can recall learning about him from my history books was that he liked to go around exclaiming "Bully, bully"; enjoyed hunting lions and tigers in Africa and once led a charge up a hill during the Spanish-

American War. So much for Teddy.

We found a picture of Heidebreder in the files. It pictured him facing approximately the same way as the great stone faces and was perfect for our need. We then proportioned it to the same size as the stone faces on the original picture and super-imposed it on the print right up there beside Roosevelt, even though Dick was a Democrat.

The company artists then touched up Dick's face and head so they took on the hue of carved stone and blended them right into the mountain background. They even drew in realistic-looking chipped rock down below just as you see beneath the others.

Next, we re-photographed the touched-up original picture. This time, however, the picture came out with Dick's smiling face right up there on the mountain among the four great Americans. We had the base negative we needed for a massive enlargement and one four feet deep and five feet wide was produced.

We then had a lot of fun with it at a welcoming party for him in Sioux Falls. We should have made post cards from it just as they did with the one showing the pumpkins.

Dick has lots of relatives, and we could have made money if he only sent one to every one of them.

I have a cousin, Frances Fairleigh, living in Hopkinsville, who, I feel, expresses the real, true feelings of a lot of wives who travel far and wide to attend athletic events simply because it's sort of the expected thing to do.

Now that all the football seasons and the bowl games are in the record books, I hope she won't mind me sharing one of her recent comments with you.

After going to Lexington for one of the University of Kentucky games last fall she wrote me:

"I am not a football enthusiast as I only really understand the half. I'd rather plow than sit through those interminable four quarters. I always try to look properly happy or sad as indicated by the score, and jump up and down on cue. But 500 miles is an awful price to pay to 'tailgate' and sleep in a strange bed. I enjoy keeping up with all the sports via newspaper and TV but I am strictly an 'arm-chairer.'"

## Understanding Alcoholism

a health column from the Alcohol, Drug Abuse, and Mental Health Administration U.S. Department of Health, Education, and Welfare

### Early Treatment

Does an alcoholic person have to hit "rock bottom" before he or she can accept treatment and begin to travel the road back to recovery and rehabilitation?

No. In many cases it has happened that way, and a kind of stereotype has been created of the individual who must go "all the way down"

before he can begin to come back.

But it should be kept in mind that alcoholism is a progressive illness: it develops gradually, usually over a period of years. People can be helped to recognize their growing problem and do something about it long before they otherwise would drift into the grip of advanced alcoholism.

One difficulty everyone must face is that it is hard to draw sharp lines between social drinking, problem drinking, and alcoholism.

Most Americans drink responsibly and have no problems with alcohol. Others, sooner or later and for causes not well enough understood, do begin to have problems.

The National Institute on Alcohol Abuse and Alcoholism (NIAAA), a part of HEW's Alcohol, Drug Abuse, and Mental Health Administration, supports research to increase knowledge of the causes of alcoholism, its progression from mild problem stages to severe illness, its treatment, and other facets of this overall problem which costs our nation heavily in both human and economic terms.

A major thrust of the Institute's research and other

programs is to enlighten the public about the uses and abuses of alcohol and to promote the detection and treatment of alcoholism in those earlier stages long before "rock bottom" is reached.

In these activities the Institute is working with capable and concerned people throughout the nation—with public and private helping agencies, with State and local governments.

Since alcoholism usually develops over a period of years, there are repeated opportunities for the drinker and those close to him or her to spot the warning signals before the illness is well under way.

A discussion of these warning signals and many other aspects of the alcoholism problem is found in a booklet published by the National Institute on Alcohol Abuse and Alcoholism.

Is alcoholism curable? What are the available facilities for treating alcoholism? What if he or she won't go for treatment? Where can I get help? These and other important questions are answered in the booklet, *Treating Alcoholism: The Illness, The Symptoms, The Treatment*. Free single copies can be obtained by writing to:

2345, Rockville, Maryland 20852.

## Funny Funny World

In Hamburg, West Germany, newsmen wanted to know what her secret was after Frieda Wertheil, 32, was voted the best-natured worker in her company. Ms. Wertheil explained: "At home I have a sound-proof basement with a set of drums in it. My hobby is to beat the drums like mad until I am exhausted. After that I feel contented and calm and quiet for another 24 hours. It's better than working over your boss or putting your husband through the meat grinder."

### Let's Stay Well

## Transplanting A Second Heart

By F.J.L. Blasingame, M.D.

The complete transplant of a heart from one person to another in 1967 in Capetown, South Africa, by Christiaan Barnard, M.D., and his associates was undoubtedly the most dramatic operation ever performed, far exceeding the drama attached to the cesarean section first performed centuries ago.

Only recently, Dr. Barnard's group accomplished another "first" by implanting in a man a second heart without removing the diseased heart. The second heart came from a 10-year-old girl killed in an automobile accident.

The second heart was placed in the chest, to the right side of the man's heart. The upper chambers (atria) were connected so that blood could flow from the "old" left atrium to the "new" ventricle. When it contracts, it pumps blood through the "new" aorta, which was sewed into the side of the "old" aorta. The new heart serves as a ventricular assist to the old heart.

The beats of the two hearts are synchronized by pacemakers in each heart.

The circulation to the remainder of the body was maintained by a heart-lung machine during the 5-hour operation.

Dr. Barnard reported that the original heart improved almost immediately when given assistance by the second heart.

While the surgical technique of heart transplant has made adequate advancement to be practical, the rejection phenomenon remains a major barrier. The body of the recipient reacts to the new tissue as if it were a

foreign body. By lowering the host's rejection reaction with medications, the new tissue may be tolerated and live, especially if the tissues of the two persons match closely. In recent weeks, a man who had survived the longest, following a heart transplant more than six years ago, died.

Inasmuch as heart disease is the leading cause of death, research to replace or supplement the heart with one from another person is indicated.

Likewise, work continues on the development of an artificial or mechanical heart. These surgical procedures are of limited value at this time, and most heart surgery is currently done to improve circulation to heart muscle.

For the most part, diseases of the heart are treated medically rather than surgically.

Q. Mrs. C.C. asks for suggestions to soften her skin.

A. Water is the best skin softener. Soaking a cathin in water is a good example. Most roughness of the skin is usually due to a loss of water from the cells of the skin, rather than a loss of oils. Moisture your skin with water, allowing it a bit of time to soak in. Dry away the surface moisture and cream your skin. The creaming will help to prevent prompt evaporation of the water and prolong skin softness.

Q. Mr. O.C. wants to know the number of calories in a bottle of beer.

A. The average 12-ounce bottle of beer contains about 175 calories.

## SPORTS

### Wildcats Come From Behind, Whack'Dogs

ATHENS, Ga. (AP) — "They reached out and got it," said Georgia Coach John Guthrie after the University of Kentucky Wildcats rolled to a 96-77 Southeastern Conference basketball win over his Bulldogs.

"You've got to credit Kentucky for what happened," he said after the contest Monday night.

Guthrie's young Georgia team gave 9th-ranked UK a hard time on the boards at first, cutting down Kentucky leads of 12-6 and 17-12, moving ahead 31-25, and maintaining a 43-39 halftime edge.

"We must have been out-rebounded 3-1 in those first 10

minutes," said Kentucky Coach Joe Hall. "They were super-active on the boards and we just failed to match their pace. It was fortunate for us that (Bob) Guyette got some key tips and kept us alive."

Georgia was still ahead with 12 minutes to play, when the Wildcats turned the game around. Led by Kevin Grevey with 32 points and Guyette with 19, they moved from a 59-58 deficit to a 76-64 lead in the next 4½ minutes.

"The main thing that hurt us was Jack Dorsey getting into foul trouble," Guthrie said. Dorsey, who led the Bulldogs with 23 points, was sent to the bench after his fourth foul,

where he watched as UK took its 12-point lead.

Also, Guthrie said, "Grevey is a great player and he's going to get his points, that's all there is to it."

The Wildcats, who hit 38.1 per cent from the field in the first-half, improved enough after intermission to finish with 46.1 per cent for the game.

"Going to the 1-3-1 (zone defense) seemed to relax us in our shooting after halftime," Hall said.

Kentucky, now 2-0 in the SEC and 9-1 for the season, plays at Auburn Saturday night. The loss left Georgia with a 1-1 conference record and a 5-3 mark overall.

## Racers Take 61-56 Win And Go To 7-2 For Year

By MIKE BRANDON

Ledger & Times Sports Editor

There were some strange things happening in Murray Monday night. No, there weren't any UFO's flying around town or anything of that sort.

What was strange was a basketball game played in the Sports Arena between Murray State and Mississippi College.

At halftime, the score was only 27-26 and Murray had only eight rebounds in the entire 20 minutes.

In the second half, an official completely missed a charging foul and whistled the infraction on Murray's Jesse Williams, which brought a shower of boos (not booze) on the floor and Fred Overton off the bench, which brought a technical foul on the Murray

coach.

Murray was to take the ball out of bounds but the officials got mixed up and gave it instead to a Mississippi College player who got the attention of a teammate and threw in a rebound to him. He drove for the basket while seven other players stood at the other end of the floor. The official figured out what was happening, nullified the play and gave the ball back to Murray.

Coasting along with a 12-point lead, the Racers did not score a field goal over the final 7:52 of the game.

In addition, there were several other unusual plays during the game that had the fans either laughing or booing. And it was a puzzled crowd of 2,500 that returned, home after watching the Racers grope their

way to a non-impressive 61-56 win.

It was a boring first half and the second half started out the same until when with about five minutes gone, Overton inserted 6-5 senior Steve Bowers and 6-3 junior Jeff Hughes into the lineup.

And that's when things began to happen.

The Racers began playing much better ball as Bowers and Hughes brought a renewed life into the rather lackluster Murray defense. Several times, Bowers and Hughes came up with steals and helped the Racers to start fastbreaks.

Oh, another strange thing. Once, Murray had a four-on-one fastbreak. Would you believe the Racers were called for three seconds in the lane? That didn't please an un-

daunted two-man cheering section which tried time after time again to bring the crowd to life with its "Oske-wow-wow" yell.

Murray went ahead for good in the game with 13:17 left when Grover Woolard tipped in one of the countless layups the Racers missed. That gave Murray a 40-38 lead and Mississippi College never managed to come any closer than four points, that being in the final seconds.

With 7:52 left in the game, center Larry Moffett of Gary, Ind., scored on a five-footer and Murray led 56-44. That was the last field goal of the game, for Murray, that is.

Jesse Williams finished with 17 points to pace Murray while Moffett, playing an outstanding game, finished with 12.

Moffett seemed to have much more confidence on offense as he connected on six of his 10 floor attempts and he picked off a game-high nine rebounds.

Henry Kinsey, sitting out 15 minutes of the final half along with Zach Blasingame, added 11 points while Grover Woolard scored 10.

Randy Clemens, a 6-1 senior guard, led the Choctaws with 15 while 6-9 Danny Williams scored 12 and 6-10 Mike Cannon added 10.

Murray trailed for most of the first half before finally catching up late but falling behind again, 27-26, at intermission.

"We were flat again," Racer Coach Fred Overton said.

"We weren't getting any real defensive pressure. At halftime, we tried to correct our defense and in the second half, we tried to pick them up fullcourt man-to-man and use our run and jump type defense."

"That's why we put Bowers and Hughes in the game. They gave us the electrifying backcourt defense and ran the run and jump to perfection."

Late in the game, Moffett picked up his fourth foul and headed toward the bench. And as soon as he was out, Mississippi College began to

peck away at the lead but Moffett never returned.

"We knew we could get him back in but with about three minutes left in the game, we went into our four-corner offense and we needed someone in who could handle the ball."

"Moffett is getting better for us every game. He needs a lot more playing time and experience but he is definitely coming around."

Was the game really weird? "They set the tempo in the first half with their deliberate offense and we just sort of trailed them around the floor," Overton said.

"I think we're still under the cloud of the layoff. When we get the band, the students and all the noise back we'll be all right. Remember the Blue-Gold game?"

"We looked pretty dead because the crowd was small and there wasn't much noise. Our past two games have been like the Blue-Gold game," Overton added.

One thing for sure, the Racers next two games will be played before plenty of noise and large crowds.

Because this Saturday night, the Racers make the trip to "Death Valley" as they take on Morehead and then on Monday play at Eastern Kentucky to kick off the Ohio Valley Conference season.

### Ali To Defend Title Against Booze Dealer

By ED SCHUYLER JR.

AP Sports Writer

NEW YORK (AP) — Chuck Wepner, a liquor salesman from Bayonne, N.J., is expected to fight for the heavyweight championship of the world against Muhammad Ali in Jamaica in late March.

Mike Burke, president of Madison Square Garden Center, said Monday that Ali's manager, Herbert Muhammad, "called me this morning and said that he had decided to cancel the Lyle fight and expected to take a fight with Wepner in Jamaica."

"We had really expected to sign tomorrow with Herbert an agreement to fight Ron Lyle March 24 in the Garden."

Ali was supposed to get \$2 million to fight Lyle in the Garden.

Season Record: 53-21 (.726)

Muhammad mentioned \$1.5 million for Ali to fight the 32-year-old Wepner, who has lost nine fights, several on cuts, against 30 victories, and two draw decisions in a pro boxing career that began in 1964.

"We're negotiating a promotion that totals \$3 million," said Muhammad.

The manager wants the Ali-Wepner fight to be part of a television doubleheader, with George Foreman, who was knocked out by Ali in Africa last Oct. 30, fighting on the first half at a different location. Oscar Bonavena is being mentioned as an opponent for Foreman.

"I think Foreman needs the exposure," the manager said, with a rich rematch in mind. "And we have to see if he can come back. There aren't going to be fighters who are scared of him anymore."

Asked if he would rather fight Lyle or Wepner, Ali said, "I'll fight them both within five months."

Then he began beating the publicity drums for the fight with Wepner, billed in some quarters as "the heavyweight champion of North America."

"Ain't nobody who can call himself champion of any country or state while I'm the heavyweight champion of the world," Ali said at a commercially sponsored sports

luncheon attended by several athletes at a midtown hotel.

Muhammad also was asked about a showdown third fight with former champion Joe Frazier, which probably is the biggest money fight available.

"Ali will fight Joe no later than 1976," said Muhammad.

The 6-foot-5 Wepner, who is 32, has fought big name-fighters before, but the best-known fighter he has beaten is Ernie Terrell, on a 12-round decision in 1973. He was knocked out by Foreman in three rounds in 1969 and was knocked out by Sonny Liston in 10 in 1970.

Wepner has won eight straight fights, four last year — he outpointed Billy Williams, stopped Randy Neumann, and knocked out Charlie Polite and Terry Hinkle.

#### Added To Staff

CLEVELAND (AP) — The Cleveland Indians have completed selection of its coaching staff with appointment of Dave Garcia and Tom McCraw.

Tribe General Manager Phil Seghi announced Monday.

Garcia, 54, won the Texas League's Western Division title last year as manager of the California Angels' El Paso farm team.

McCraw, 34, will play as well as coach, Seghi said. McCraw hit .294 last year for the Angels and the Indians.

### NCAA To Begin Pilot Program For National Titles For Gals

By TOM SEPPY

AP Sports Writer

WASHINGTON (AP) — The National Collegiate Athletic Association will begin a pilot program, possibly this spring, to develop national sports championships for women comparable to those now sanctioned for men.

The NCAA Council, the organization's policymaking body, directed the NCAA's Committee on Women's Intercollegiate Athletics to embark on the program. It is sure to draw fire from the Association for Intercollegiate Athletics for Women, the major collegiate body for female athletes, which is not part of the NCAA.

The action came Monday, the opening day of the 69th annual NCAA convention here. The convention honors President Ford today by presenting him at a luncheon with the Theodore Roosevelt Award, the NCAA's highest honor.

David Swank of Oklahoma University, council member and chairman of the women's sports committee, said his group hoped to develop a pilot program in time for this spring's men's track and field and tennis championships.

He said the committee will report in about a month on the feasibility of the proposal.

Swank also said the committee would discuss recommendations for championships in 10 other sports over the next three years: cross country, golf and basketball next year, field hockey, gymnastics and softball the following year and badminton, skiing, swimming and volleyball in the third year.

He emphasized, however, that his committee will concentrate for the time being on track and field and tennis and

that future possible championships "are only suggestions. We will have to look at these to see if any are feasible to be implemented."

The NCAA action comes at a time when colleges are being pressured by court decisions and the federal government to place a greater emphasis on women's athletics to make them comparable to those now provided for men.

However, Swank said the NCAA's action was taken only partly as a result of the forthcoming implementation of Title IX, the controversial federal regulation which essentially calls for equal treatment for men and women in collegiate sports.

The Department of Health, Education and Welfare is expected to issue its final directive on Title IX at the end of the month.

"The pressures the NCAA has felt have been from society," he said.

In Houston, where the Association for Intercollegiate Athletics for Women is meeting, Dr. Lee Morrison of Madison College, AIAW president, expressed shock and disappointment when newsman informed her of the NCAA action.

"We have been trying to work with the NCAA to iron out some of the problems common to women's athletics," she said in a telephone interview. "If this program is intended to replace ones women have developed, I would be very concerned and upset."

"I would say they are trying to infringe upon opportunities women have provided for women," Dr. Morrison said.

#### Edge Japan

TOKYO (AP) — The touring Bayern Munich team of West Germany edged the Japan National 1-0 in an exhibition soccer match before a crowd of 45,000 at the National Stadium Tuesday.

# Hooisers Vault To Top Of College Cage Poll

**By ALEX SACHARE**  
AP Sports Writer

Boys' basketball Bobby Knight, the fiery competitor who made aggressive nose-to-nose defense his coaching trademark, has guided Indiana to the top of the college basketball poll.

The unbeaten Hoosiers, who won their 13th game of the season Monday night, are ranked No. 1 in this week's Associated Press college basketball poll, announced today.

It marks the culmination of an effort begun four years ago by Knight, when he left the head coaching job at Army to take the post at Indiana.

The Hoosiers, rated No. 2 last week, took over the top rung on the ladder from defending national champion North Carolina State, which was upset by Wake Forest 63-78 Friday night.

Indiana received 36 first-place votes and a total of 1,020 points from a nationwide panel of sports writers and broadcasters. Second was undefeated UCLA, which drew 14 top votes and 988 points. Louisville, another unbeaten club, received the remaining two first-place votes and 776 points, good for third place over N.C. State, which got 762 points.

Each of the three unbeaten climbed one notch from last

week. Balloting is based on games played through last Saturday, and at that time Indiana was 12-0, UCLA 10-0, Louisville 8-0 and N.C. State 9-1.

Maryland, 9-1, grabbed fifth place with 558 points, up from seventh after a week in which the Terps beat rugged Notre Dame, Southern California, 101, which lost to Fordham in the final of the ECAC Holiday Festival, dropped one spot to sixth with 502 points.

Kentucky, 8-1, climbed two spots to seventh with 479 points; Alabama, 7-1, dropped two notches to eighth with 429; Oregon, 9-0, climbed two places to ninth with 425, and Arizona, 10-1, rounded out the top ten with 221 points, up from 14th place a week ago.

Indiana took the championship of the Rainbow Classic by beating Hawaii 69-52 last Monday, then beat Michigan State 107-55 in the game in which 10 black Michigan State players did not participate. The Hoosiers made it 13-0 by whipping Michigan 90-76 Monday night.

The Hoosiers were co-champions of the Big Ten last year when they compiled a 23-5 record, won the Collegiate Commissioners' Association tourney and were rated ninth in last year's final AP poll.

**By The Associated Press**  
The Top Twenty, with first-place votes in parentheses, season records and total points. Points tabulated on basis of 20-18-16-14-12-10-9-8-etc.

## Middle School Takes Pair From East Lakers

**The Murray Middle School**

Tigers continued both their perfect seasons Monday night as both the seventh and eighth grade boys teams grabbed wins.

In the seventh grade contest, the host Tigers cruised to a 37-21 win while in the eighth grade game, Murray nipped East Calloway 38-26.

East moved out to a 5-3 lead in a rather slow first period of the seventh grade contest before Murray Middle roared back in the second period and outscored the Lakers 11-4 to take a 14-9 edge at intermission.

Then in the third period, the Lakers were bombed 17-5 in the frame and Murray zipped to a 31-14 lead.

Bradley Wells paced the winners with 14 points while Nicky Swift scored nine. Rose led the losers with five markers.

In the rebounding department, Bradley Wells pulled down 13 while Swift pulled eight rebounds off the boards. The Tiger coaching staff gave special recognition to Bradley Wells and to Bo Reed for his fine reserve role play.

The win leaves the seventh grade Tigers with a 6-0 season record.

In the eighth grade contest, Murray galloped to a 15-3 first period lead and coasted to a 12-point win.

At halftime, the Tigers led 24-8.

In the third period, Calloway managed to cut into the margin and made the game much closer but could not overcome the Tiger cushion.

The key for the Tigers was the offensive rebounding as several times in the contest the Tigers got inside position under their own boards and put up missed

shots.

Lee Hopkins paced the winners with 12 while Thomas Kendall added 10. McCulston took game honors by scoring 14, 10 of which came in the third period.

At one point in the third quarter, the left-handed shooting McCulston popped in four consecutive 25-footers.

In the rebounding department, Hopkins had 15, Jeff Karsave and Jon Alexander 11.

The coaching staff of the Tigers gave special recognition to Jon Alexander, Lee Hopkins, Jeff Karsave and Thomas Kendall.

The win leaves the eighth grade Tigers with a 6-0 season slate.

Both Tiger teams will play at Mayfield Thursday.

The seventh grade contest will begin at 6 p.m.

Seventh Grade	
East	5 4 5 7-21
Murray	3 11 17 6-37
East (21)—Barnett 4, Emerson 4, Cook 4, Rose 3, Taylor 2 and Sanders 2	
Murray (37)—Bogard 4, Daniels 2, Reed 6, Swift 9, Turner 2, B. Wells 14, Guthrie, Harmon, Miles, Rollins, Thurman and C. Wells.	
Eighth Grade	
East	3 5 12 6-26
Murray	15 9 6 8-38
East (26)—McCulston 14, Cunningham 3, Elliot 4, Cohoon 5, Dedmon, Parrish, Outland, Long, Sanders and Von Schoech.	
Murray (38)—Alexander 6, Cohoon 2, Harcourt 6, Hopkins 12, Kendall 10, Karsave 2, Gibbs and Perry.	

## Southwest And North Split Two Cage Games

North and Southwest Calloway split a pair of basketball games played Monday night at Southwest.

In the seventh grade boys game, North romped to an easy 54-32 win while in the eighth grade girls game, Southwest shocked North 29-28 in a thrilling overtime contest.

North was plagued with fouls from the word go in the girls game.

Both Stephanie Wyatt and Sheila Lawrence got into foul trouble in the first quarter and spent much of the game on the bench, which was very costly to the North team.

At the end of the first quarter, Southwest led 6-1 and at halftime, the teams were still playing on even terms with Southwest leading 14-9.

The third quarter was all North as they outscored Southwest 11-4 and moved out to a two-point lead entering the final stanza.

But before the game was over, North lost Wyatt, Starks, Lawrence, Turner and Greene via the foul route while Edwards had four.

The heroics in the overtime belonged to Carol Cooper and Sheila McKenzie. Cooper hit a bucket that tied the game and then with four seconds left in the contest, McKenzie hit a charity toss to give Southwest the win.

McKenzie paced the winners with 12 while Karol Kemp added 10. For North, Wyatt had seven

while Lawrence and Coursey each had six.

In the seventh grade boys game, North roared to a 10-4 lead at the end of the first period, led 29-16 at intermission and coasted on to the win.

The scoring was unbelievably balanced for the winners with Edwards leading the way with 11, Thorne added 10, Paschall and Graham eight apiece, Lamb seven and Furr six. Scott rounded out the attack with four.

Rogers led the losers with 13 while Smotherman scored 11.

Seventh Boys	
North	10 19 16 9-54
Southwest	4 12 8 8-32
North (54)—Edwards 11, Thorne 10, Paschall 8, Graham 8, Lamb 7, Furr 6, Scott 4, Todd, Bibb, McClure, Scruggs, Darnall, Feltnier, Rule and Starks.	
Southwest (32)—Rogers 13, Smotherman 11, Stubblefield 4, Overby 4, Williams, Seiting, Perry, Barger, Jackson and Pittner.	
Eighth Girls	
North	1 8 11 6 1-28
Southwest	6 8 4 8 3-29
North (28)—Wyatt 7, Lawrence 6, Coursey 6, Starks 2, Turner 2, Conner 2, Greene 2, Locke 1, Ahart, McKinney, Dowdy, Edwards and Brandon.	
Southwest (29)—McKenzie 12, Kemp 10, Bailey 2, Cooper 3, Hutson 2, Phillips, Potts and Murdock.	

# Milk And Honey Once Again For Spartans

**By ALEX SACHARE**  
AP Sports Writer

"We wanted to show the fans — we wanted to play basketball for Michigan State. We can play spirited basketball ... when we play, but not when we walk out."

Gus Ganakas, the basketball coach at Michigan State who has been at the center of a raging controversy for the past week, had plenty reason to be elated.

His team, bolstered by the return of 10 black players who had walked out before Saturday's 107-55 drubbing at the hands of Indiana, came up with a solid effort and beat Ohio State 88-84 Monday night for their first Big Ten victory of the season.

Lindsay Hairston, who led Saturday's walkout, topped the Spartans with 26 points, Terry Furlow added 19 and Pete Davis had 12.

The victory, after two losses in Big Ten play, apparently quelled dissension that hit the team Saturday, when all 10 black players walked out of a meeting and were suspended.

"Tonight I locked the doors of the dressing room before I announced the starting lineup," said Ganakas with a smile.

Freshman forward Jeff Trop, the unwitting cause of the walkout when Ganakas announced that he planned to start him against Indiana, received a rousing ovation from the home crowd with every effort. He wound up with six points and 11 rebounds.

After a meeting Sunday morning, the players were reinstated and Ganakas called it "just a misunderstanding."

The Spartans, 7-3, jumped to a 50-36 halftime lead and held off a Buckeye comeback which closed the margin to two points late in the game.

"The whole first half was one of the best performances we ever had," Ganakas said. "No matter who we put out there, they blended well together."

One team which has had no trouble with togetherness is Indiana, which has been together enough to move into the top spot in the national rankings

this week and which raised its season record to 13-0 by whipping Michigan 90-76 in a match-up of last year's Big Ten champions Monday night.

The Hoosiers shot a stunning 61.8 per cent from the field, the second best mark in the school's history. The only better shooting game was a 63.3 effort against Ohio State in 1959.

Forward Steve Green scored 26 points for the Hoosiers, including 20 in the second half. Scott May added 20 and reserve John Laskowski netted 19. Green sank 10 of 13 from the field, Laskowski seven of 10.

Elsewhere among the top 20, No. 7 Kentucky tripped Georgia 96-77, No. 8 Alabama got by No. 18 Tennessee 82-78, No. 10 Arizona edged Northern Arizona 78-77, No. 13 Marquette defeated San Diego State 58-54, No. 16 South Carolina beat Fordham 94-67 and No. 17 Minnesota trounced Illinois 75-47.

Bob Guyette hit three consecutive inside shots midway through the second half to lead Kentucky, 9-1, past Southeastern Conference rival Georgia.

Georgia led until Guyette's tip-in with 11:27 remaining put Kentucky ahead 60-59. Guyette then tapped in another shot and hit a layup to give the Wildcats a 64-60 advantage, and Georgia scored only four points during the next five minutes as the Wildcats rolled ahead 82-64.

Kevin Grevey of Kentucky led all scorers with 32 points, 18 in the second half. Guyette added 15.

Charles Russell scored a season-high 22 points to help Alabama, 8-1, beat Tennessee in another Southeastern Conference game. The Vols dropped to 7-2.

Freshman Bernard King hit for 30 points for Tennessee and Ernie Grunfeld dropped in 28.

Bob Elliott scored 22 points and Arizona held off a late Northern Arizona rally.

Arizona fell behind 45-35 early in the second half, but tied the score at 57-57. Arizona pulled ahead for the first time when Gilbert Myles stole the ball and scored on a layup. Northern Arizona tied it on a

long jumper by David Hillman, but Elliott made a free throw 15 seconds later to put the Wildcats out in front to stay 60-59.

In other major games, Purdue beat Iowa 63-54, Niagara nipped DePaul 64-63, Illinois State outscored Oral Roberts 107-98, Kansas defeated St. Louis 79-72, Houston edged Dayton 86-85, Duquesne downed Canisius 84-74, UT-Chattanooga outran Western Florida 133-100, Jacksonville defeated Georgia Southern 94-78, Vanderbilt topped Mississippi State 96-85 and Hawaii beat Grambling 106-94.

In the first round of the Senior Bowl, Texas beat Louisiana Tech 81-58 and South Alabama topped Virginia Military. In the opening round of the Hatter Classic, American U. defeated Southern Mississippi 83-76 and Stetson tripped Lehigh 72-57.

Kentucky State, the nation's top-ranked college division team, battled back from a six-point halftime deficit to defeat Wabash 78-69 behind Gerald Cunningham's 26 points.

## Charges Dismissed

CHARLOTTE, N.C. (AP) — Fraud charges were dismissed Monday against Peter Brennan, second leading scorer on the University of North Carolina basketball team which won the national college championship in 1957.

The charges grew out of claims that invoices understated the value of pants imported by companies controlled by Brennan, defrauding the federal government of customs duties.

## Ken Stabler And Joe Greene Named As NFL Top Players

**By HAL BOCK**  
AP Sports Writer

NEW YORK (AP) — Oakland quarterback Ken Stabler and Mean Joe Greene, defensive tackle of the Pittsburgh Steelers, were named the National Football League's top players by The Associated Press today.

A nationwide panel of sports writers and broadcasters chose Stabler the Offensive Player of the Year, and gave defensive honors to Greene based on their performances during the 1974 NFL regular season.

Stabler, a left-hander, led the Raiders to the American Conference West Division championship. He passed for 2,469 yards and a league-leading 26 touchdowns, completing 57.4 per cent of his attempts.

It was Stabler's last-minute scoring pass that gave Oakland its first-round playoff victory and eliminated defending champion Miami. A week later, the Raiders were knocked off by Greene and the Steelers in the American Conference championship game.

Greene, long the menace of opposing quarterbacks, threw passers for losses eight times during the regular season, leading the Steelers to a league-high 52 sacks. He helped Pittsburgh compile the best defensive statistics in the AFC — a yield of only 219.6 yards per game.

His selection marked the second time Greene has been

named the top defensive performer. He also was chosen by the AP panel in 1972.

Stabler was a heavy pick in the voting with 29 votes, easily outdistancing Denver's Otis Armstrong, the NFL rushing champion, who had 14 votes, and running back Terry Metcalf of the St. Louis Cardinals, who had 12. Last year's Offensive Player of the Year was Buffalo's O.J. Simpson, who received just one vote in this year's balloting.

Voting for defensive honors was much closer. Greene won it with 13 votes, barely topping Philadelphia linebacker Bill Bergey, who had 11. Also making strong showings were linebacker Ted Hendricks of Green Bay with seven votes, tackle Alan Page of Minnesota and cornerback Emmitt Thomas of Kansas City with six each, and Greene's Pittsburgh teammate, L.C. Greenwood, with five.

Miami safety Dick Anderson, last year's winner, had just one vote this season.

Atlantic Division of the National Basketball Association.

"Cunningham has been playing exceptional basketball," said 76ers Coach Gene Shue. "Lately he's been much stronger and has been rebounding very well and playing harder. He's made quite a difference in our team."

The Braves, meanwhile, have been slumping. They are still without injured playmaker Ernie DiGregorio, and Gar Heard, their solid forward, is also sidelined.

"We're hurting because of injuries," said Buffalo Coach Jack Ramsay, "and we're getting outrebounded and that's a critical part of the game." They were outrebounded 59-42 by the Sixers.

The Buffalo-Philadelphia encounter was the only NBA game of the night. In the lone ABA contest, the San Antonio Spurs beat the Utah Stars 113-92.

The lead changed hands 24 times in the Braves-76ers contest, but the Sixers led from midway-through the third period. They padded the margin to 11 points late in the game and then held on to a 100-90 victory.

Buffalo star Bob McAdoo, who fouled out with 5:14 left, was limited to 19 points.

Spurs 113, Stars 92

James Silas poured in 36 points for the Spurs and Rich Jones added 31. San Antonio outscored Utah 42-21 in the final period, breaking away from a 71-71 tie after three quarters.

Ron Boone led Utah with 22 points.

## Billy Cunningham Back And Braves Found Out

**By The Associated Press**  
As if the Buffalo Braves don't have enough problems of their own, a rejuvenated Billy Cunningham has added to their woes.

Cunningham scored 24 points to lead the Philadelphia 76ers to a 101-95 triumph over the Braves Monday night. The loss, Buffalo's fourth in six games, dropped the Braves one game behind first-place Boston in the

Pacific Drubs Morehead 86-71

STOCKTON, Calif. (AP) — Five players for the University of Pacific scored in double figures as the Tigers easily defeated Morehead State of Kentucky 86-71 in a nonconference basketball game Monday night.

Pacific led twice in the second half by 25 points.

The Tigers built up a nine-point lead in the opening six minutes of the game, with Myron Jordan scoring six straight points. He finished with a game-high 18, followed by teammates Chad Meyer 17, Gary Dean 12, Ron James 14, and Leonard Armato 12.

Ted Hundley also scored 18 points for the Morehead State Eagles, and Ken Sansbury added 15.

Pacific led 52-27 early in second half, but Morehead then outscored the Tigers 19-7 over six minutes to narrow the gap to 13 points. UOP widened the gap again to 25 points, 81-56, before substituting with 3½ minutes to play.

### A HEALTHY 1975 IT'S REALLY UP TO YOU!

In all probability 1975 will generally be a healthier year for most everyone, for in each passing year we see new medicines perfected and new medical techniques developed. There is always the chance that this will be one year that will see a breakthrough in finding the cure for one of the killer diseases that still plague mankind.

But, good health doesn't necessarily just happen. You have to do your part to help. We suggest that you resolve today that you will not neglect your health. Schedule a checkup with your doctor. Act early at any signs of an illness. We resolve we will do everything we can ethically to help you and your family in the pursuit of good health.

## Johnny Rutherford Is Named Driver Of Year

BURBANK, Calif. (AP) — Johnny Rutherford, winner of both the Indianapolis and Pocono 500-mile races, was named Driver of the Year by the American Auto Racing Writers and Broadcasters in announcing their 10-man All-American racing team.

The Texan was the leading vote-getter and was named to the team for the first time along with USAC champion Bobby Unser, who won the California 500 at Ontario, Calif.

The other first-time member was sprint car driver Jan Opmerman of Beaver Crossing, Neb.

Also picked were stock car

drivers Richard Petty of Level Cross, N.C. and David Pearson of Spartanburg, S.C.; Mario Andretti of Nazareth, Pa.; California stock car racer Ray Elger or "Carnutt"; road racer Peter Gregg of Jacksonville, Fla. and drag racing champions Don Garlits of Seffner, Fla. and Don Prudhomme of Granada Hills, Calif.

# Less Than Half Of Government Gold Offered Sells At Auction

WASHINGTON (AP) — The government's great gold auction was a flop in selling gold but it proved that Americans have kept their common sense, officials say.

"In the U.S. Treasury gold auction, demand was less than had generally been anticipated," said a Treasury Department statement Monday — and that was an understatement in itself.

Although the government was

auctioning 2 million ounces of gold, it received bids on only 954,800 ounces and accepted bids for just 750,000 ounces.

In addition, it appeared that most of the gold was bought by foreign banks. The biggest bid was for about 400,000 ounces from the Dresdner Bank of New York, a subsidiary of a major West German bank.

Two Swiss banks also were among the major bidders. The complete list of successful bid-

ders was to be made public today.

Except for bids from a few U.S. industries and banks, most bids from Americans were for a single 400-ounce bar of gold, the minimum amount being auctioned by the Treasury.

The minimum bid price accepted by the government was \$153 an ounce, considerably below world market gold prices, although a few bids ranged as high as \$185 an ounce.

The gold sold Monday will bring the government more than \$100 million in revenue.

Treasury Secretary William E. Simon expressed delight that Americans did not buy up all the gold at sharply higher prices.

"It once again proves that the American people are a good deal smarter than many people give them credit for," Simon said at a news conference.

Of the 219 valid bids received by the General Services Administration, 100 were accepted. The successful bidders will be able to pick up their gold at the U.S. Assay Office in New York or at U.S. mints in Denver and San Francisco, after paying the full amount of their bids.

Americans gained the right to own gold for the first time in 41 years on Dec. 31. But the small quantity of gold actually being bought has caused the price of gold to drop from a high of \$200 an ounce to as low as \$169 on the London gold market in recent days.

The 2 million ounces of gold offered by the Treasury represented less than 1 per cent of the total U.S. gold reserves of 278 million ounces. The unsold 1,250,000 ounces from the auction will be kept in the official reserves.

# Many Vets To Receive 12% Increase

Nearly 2.3 million veterans and survivors will receive 12 per cent increases in their monthly Veterans Administration checks and 6,537 severely disabled Cold War veterans will be eligible for \$3,000 automobile grants as a result of two bills signed by President Ford.

These increases are in addition to the increased GI Bill education allowances that became law December 3, VA Administrator Richard L. Roubush said.

The 12 per cent increase applies to pensions for veterans who have become disabled from nonservice connected causes and to their widows and children. Increased also were payments to dependent parents of veterans who died or were totally and permanently disabled from service connected causes. The payments, called pension and dependency and indemnity compensation, were last increased on January 1, 1974 by 10 per cent.

This year's 12 per cent increase began January 1, and will be reflected for the first time in checks received February 1.

The other measure broadens eligibility for automobile grants to include veterans who suffered loss of both hands or both feet — or loss of their use — due to military service between World War II and the Korean Conflict. Total cost of the two measures will be about \$1 billion.

Chicken bouillon made from cubes is less expensive than canned chicken broth; use the bouillon in a sauce or a soup when the chicken flavor is not of paramount importance.

Six new cabinet level appointees were sworn into office Friday, Jan. 3 by Chief Justice, Earl T. Osborne of the Kentucky Court of Appeals. Standing behind Gov. Julian Carroll in the governor's office are Judge Osborne; Billy Paxton, secretary of the Department of Transportation; John Stanley Hoffman, secretary of the Department of Natural Resources and Environmental Protection; John C. Roberts, commissioner of the Bureau of Highways; Dr. Dee Ashley Akers, secretary of the Development Cabinet; C. Leslie Dawson, secretary of the Department for Human Resources; and Dr. Truett A. Ricks, commissioner of state police.

## 100,000 Jobs At Stake

# Central Kentucky Counties Begin Gas Conservation Drive

WINCHESTER, Ky. (AP) — A committee of industrial executives begins an all-out drive in nine Central Kentucky counties this week to have the public conserve natural gas to help protect some 100,000 jobs.

"By the middle of the week, we'll have bumper stickers, door stickers and thermostat stickers ready for distribution," Thomas Richardson, chairman of the committee, said.

The idea is to have thermostats in homes and businesses set back to 67 degrees, which Richardson said could mean 30 per cent more gas for industrial use.

The Central Kentucky Energy Committee was formed late last month after Columbia Gas of Kentucky announced an 85 per cent reduction in its gas allocation for industrial users.

Columbia said it was forced

to make the move in order to insure enough gas for home heating.

Richardson said his committee first studied a report indicating that homes and businesses use about 75 per cent of available gas while industry uses 25 per cent.

Using that ratio, Richardson said, a saving of 10 per cent by homes and businesses would mean 30 per cent more for industry.

"There are about 20,000 employees in the 37 industries in the nine counties affected by the gas cutback and we estimate there are about four supportive jobs for every industrial one," Richardson said.

"That means we're talking about 100,000 livelihoods that could be affected by this thing," he added.

So far, there have been no massive shutdowns in the area,

although many industries have laid off employees for a few days at a time. Some lengthened the Christmas holiday for example.

"But some of the smaller industries are becoming less competitive because of the higher cost of alternate fuel and could be forced to close down if it keeps up," Richardson said.

"For example, I know of one industry — and I won't name it — that has spent \$100,000 on alternate fuel while another less than 100 miles away and in the same business had no such extra costs," he said.

Richardson said there also are some industries such as glassmaking and some food preparation that can't use alternate fuel under any circumstances.

He said his committee was concerned that the public might not believe the gas shortage is affecting alternate fuels and that sometimes you can't get them at any price," he said.

Perhaps the most effective of the committee's promotional stickers is the one for thermostats.

"In my own home," Richardson said, "I set the thermostat at 67 degrees but the kids sometimes push it up a little."

"The thermostat sticker is a little silver thing, about the size of a quarter, that adheres to the thermostat so there's no tampering with it."

### 3. Card Of Thanks

"The Hafford Paschalls" Sixty-five years seems quite a long while, for two people to weather and continue to smile. The memories you carry must be quite great. No wonder that day, you would celebrate.

The love you have shared, the sorrows you've carried. As time has slipped by, since you two were married. The summers and winters, the springs and the falls. The times in late evening, when whippoorwills called.

The sunsets you've watched, as twilight drew near. The green of God's earth, blooming year after year. The stars in the sky, the moon up above. Have witnessed I'm sure, the depth of your love.

The children you've reared, in bad times and good. Are a tribute to you and how you have stood. Kindness and goodness have walked by your side. There's evidence great from friends who confide.

The example you've set, by your lives on earth. Has told a great story "How man earns his worth." Caring for others and sharing God's love. Preparing each day, your home up above.

So continue the walk, you two started that day. When you vowed to each other, till death you would stay. Keep showing the world, what true love can mean. I pay tribute to you, for the kindness I've seen.

With highest esteem; Chester Reeder Jan. 7, 1975

## Deaths and Funerals

### Mrs. Cunningham Dies At Age 97; Funeral Wednesday

Mrs. Donie Cunningham, age 97, died Monday at 10:05 p.m. at the Murray-Calloway County Hospital. She was the wife of Hugh (Huie) Cunningham who died September 27, 1944.

The deceased was a member of the Spring Creek Baptist Church. Born August 11, 1877, in Calloway County, she was the daughter of the late D. T. Jones and Betty Huie Jones.

Mrs. Cunningham was preceded in death by one daughter, Mrs. Mary C. Adams, on May 15, 1952. She made her home with her son, Morgan Cunningham, and his wife.

Survivors are her son, Morgan Cunningham, and his wife, Murray Route Two; two granddaughters, Mrs. Bobby (Betty) Mitchell of Almo Route One and Mrs. Ann Jackson of Murray; four grandsons, Danny Cunningham of Murray Route Two, John Wayne Adams of Fordsville, Dan Adams and Phillip Adams, both of Murray; eleven great grandchildren; two great great grandchildren.

Funeral services will be held Wednesday at two p.m. at the Spring Creek Baptist Church with Rev. Glen Armstrong and Rev. Stanley Letterman officiating.

Grandsons will serve as pallbearers and burial will be in the church cemetery.

In charge of arrangements is the Blalock-Coleman Funeral Home where friends may call until the funeral hour.

### Sister Of Local Woman Dies Sunday

Mrs. Elizabeth Johnson Bilinski, sister of Mrs. Maurine Hargrove of Murray, died Sunday following an extended illness. She was a resident of Roseville, Mich.

Survivors are her husband, Walter Bilinski of Roseville, Mich.; four children; four grandchildren; three sisters, Mrs. Hargrove of Murray, Mrs. Virginia Wilkins and Miss Nell Johnson, both of Paducah; two brothers, Barkley Johnson of Paducah and John Roger Johnson of Nashville, Tenn.

Funeral services will be held Wednesday at the Warren Woods Baptist Church in Roseville, Mich.

The family requests that expressions of sympathy take the form of contributions to the American Cancer Society.

### Final Rites Held For Miss Thomas

Final rites for Miss Irene Thomas of 208 East Poplar Street, Murray, were held Monday at two p.m. at the chapel of the Blalock-Coleman Funeral Home with Bro. John Dale officiating.

Pallbearers were Creston Bucy, Willard Ails, James Thurmond, Jim Walston, Harvey Elder, and John Hoover. Burial was in the Murray City Cemetery.

Miss Thomas, age 78, died Saturday at 6:55 a.m. at the Westview Nursing Home. She was a member of the Seventh and Poplar Church of Christ.

Survivors are four sisters, Mrs. Ada Morris Simmons of Forest, Ill., Mrs. Fleta Utley and Mrs. Eddie Mae Heflin of Mayfield, and Mrs. Winifred Thomas Parrott of Paducah, and several nieces and nephews.

### John Dean Morgan, Infant Son, Dies

Word has been received of the death of John Dean Morgan, one day old son of Mr. and Mrs. Robert Dale Morgan of Rochester, Mich.

The infant was born December 25 in Avon Township, Mich., and died one day later in the William Beaumont Hospital in Royal Oak, Mich.

Funeral services were held at noon on Monday, December 30, at the Price Funeral Home, Troy, Mich., with burial in the White Chapel Cemetery there.

Survivors are his parents, Mr. and Mrs. Morgan, and one brother, Roger Dale Morgan, of Rochester, Mich.; grandparents, Mr. and Mrs. Robert D. Morgan of Royal Oak, Mich., and Mr. and Mrs. William J. Paiparanta of Troy, Mich.; great grandparents, Mr. and Mrs. David Y. Morgan of Murray and Mr. and Mrs. Earl Partin of Belleville, Mich.

## January 31 Is Deadline For Clemency Program

WASHINGTON (AP) — The Presidential Clemency Board, reporting that only 900 of the 100,000 eligible men have applied for clemency, is asking the nation's radio and television stations to broadcast reminders that Jan. 31 is the deadline for the program.

Board Chairman Charles E. Goodell said the main reason so many convicted draft evaders and deserters are not applying is because many don't know they are eligible.

Goodell told a news conference Monday that the board is mailing out to all radio and television stations 30-second

## Evening Courses Scheduled By Marketing And Business

Seven evening courses — four on the campus and three off-campus — are scheduled during the spring semester as offerings of the Department of Marketing and General Business at Murray State University.

The lineup of classes meeting from 6 to 9 p.m. on the campus follows:

Tuesdays — General Business 653, Advanced Operations Research, to be taught by Eugene Hurn in Room 302 of the Business Building. Required for the Master of Business Administration degree, the course is open only to graduate students with the necessary background in statistics.

Wednesdays — General Business 140, Introduction to Business, to be taught by Roger Schoenfeldt in Room 402 of the Business Building to introduce the student to the different functional areas of business administration; and General Business 240, Business Law, to be taught by Dr. Donald A. Jones in Room 302 of the

### Business Building.

Thursdays — General Business 248, Substantive Criminal Law, to be taught by Dr. James Overby in Room 402 of the Business Building.

Off-campus evening courses include Marketing 561, Physical Distribution Management (Transportation), taught by Dr. John Devine in Owensboro at 6 p.m. on Mondays; Marketing 667, Marketing Policy and Management, an M. B. A. requirement for graduate students only, taught by Dr. Bill Seale in Paducah at 6 p.m. on Tuesdays; and Marketing 360, Principles of Marketing, to be taught by Bill Solomon at Ft. Campbell at 5:30 p.m. on Thursdays.

Registration for on-campus evening and Saturday classes is scheduled from 8 a.m. to noon on Saturday Jan. 11, in the Waterfield Student Union Building.

### Campbell Housing Will Be Increased

FT. CAMPBELL, Ky. (AP) — The Army Corps of Engineers has awarded a \$15.4 million contract that will increase by about 30 per cent the family housing for non-commissioned officers at Fort Campbell.

The contract was let to Ecoscience-Ft. Campbell Associates of Van Nuys, Calif. The company will design and build 630 two-story housing units in 315 separate buildings.

The corps says the new housing will fill a need for more non-commissioned officers' housing that arose when Fort Campbell became the home of the 101st Airborne Division in 1972.

### Woodmen Of World Camp Plans Meet

Camp 592 of the Woodmen of the World will meet Thursday, January 9, at seven p.m. at the WOW Hall.

A business session will be held followed by refreshments being served. All members are urged to attend, a camp spokesman said.

## Football Banquet For Murray High To Be On Monday

The Murray High School football banquet, sponsored by the Murray-Calloway County Jaycees, will be held Monday, January 13, at 6:30 p.m. at the Waterfield Student Union Building, Murray State University.

Tickets at four dollars per person will be on sale from today through Friday, January 10, at the local banks.

Bill Hina, assistant football coach at Murray State University, will be the guest speaker. Awards will be presented at the banquet.

## Ethics...

(Continued from Page 1)

saying: "So far, nobody has proved he (Friend) has benefited from the legislation."

"He made \$2 million (from black lung cases) before the bill was passed," Gibson said. "No one has shown he made more under it."

For the first six months of 1974, Friend received \$149,400 in black lung fees. The new law went into effect June 21, 1974.

Board attorney Paul Twelues said other state ethics bodies have found problems with the press which "wants some action." He said some feel they have been rushed into doing things they did not want to do "to appease the press."

### PACERS CLUB

The Pacers Homemakers Club will meet at the home of Mrs. Lola Hurn on Wednesday, January 8, at 9:30 a.m. with the lesson to be on "Bargello."

## Comments Sought By USDA On Dark And Cigar Tobacco Program

Comments on proposed determinations relating to the amount of the national marketing quota for the 1975 crop of (1) fire-cured (Type 21) tobacco, (2) fire-cured (Types 22 & 23) tobacco (3) dark air-cured (Types 35 & 36), (4) Virginia sun-cured (Type 37) tobacco, (5) cigar filler and binder (Types 51 & 52) tobacco were called for today by the U. S. Department of Agriculture.

The Agricultural Adjustment Act of 1938 provides that the amount of the national marketing quota for (1) fire-cured (Types 21) tobacco, (2) fire-cured (Types 22 & 23) tobacco (3) dark air-cured (Types 35 & 36) tobacco (4) Virginia sun-cured (Type 37) tobacco, (5) cigar filler and binder (Types 42-44 & 53-55) 4,860 Flu Cases

### Reported In State

FRANKFORT, Ky. (AP) — The State Health Services Bureau says the 4,860 cases of flu reported in Kentucky so far this month do not represent a "huge outbreak" of the illness.

Dr. C. Hernandez, Preventive Services Division director, said Monday the cases are fairly well distributed around the state and that the number is not out of line for this time of year.

Dr. Hernandez said 7,800 were reported during the month of January last year.

He said the state is running tests to try to identify the type of flu now being experienced.

## Americans Bought 23 Per Cent Fewer Cars In 1974 Than 1973

DETROIT (AP) — Americans bought 23 per cent fewer cars in 1974 than in 1973 as the nation's troubled auto industry recorded its second worst performance in 11 years.

December sales reported Monday fell 25 per cent from the same month a year previous and cast doubt on prospects for recovery in 1975.

The latest decline was further bad news for the auto companies, wallowing in their longest slump since World War II. And it was disheartening word for thousands of auto workers who face continued and perhaps more sweeping layoffs if sales continue to decline.

December was the 15th consecutive month in which sales have dropped below year-earlier levels. The auto companies have responded with massive production cutbacks.

Some 280,000 workers — 40 per cent of the industry's hourly workforce of 678,000 — face layoffs this month as the companies close plants to reduce growing inventories of unsold new cars.

Domestic sales by the four major U.S. companies in 1974 were 7,448,921, compared with a record 9.7 million in 1973. It was the lowest total for the industry since 1963, with the exception of 1970, when a nationwide strike against GM held sales to 7.15 million.

December sales of 429,198, down from 573,730 in December 1973, were the lowest for that month in 15 years, with the exception of 1970.

Including imports, 1974 sales were 8,856,448, off 23 per cent from 1973's record of 11,435,989 and far short of the 10 million-10.5 million new car sales that industry leaders had forecast a year ago.

General Motors Vice President Mack Worden predicted an upswing in sales this year "if consumer uncertainties can be significantly reduced."

Ford Motor Co. Chairman Henry Ford II, however, has forecast a weaker sales year in 1975. He warned that the industry, already mired in a deepening recession, is headed for a depression unless stronger economic measures are adopted in Washington.

Other auto spokesmen predicted that the sales slump — triggered first by energy shortages, then inflation, higher new car prices and nationwide recession — may have bottomed out.

But they added that new rounds of plant closings and layoffs could be expected if there isn't an immediate turnaround in the market.

New car prices have gone up an average \$1,000 since December 1973, with the auto makers blaming inflation, but they have refused to cut prices in the face of declining sales. They say the problem is a lack of consumer confidence in the economy, not resistance to high price tags.

## Pryor Hasn't Decided Whether To Challenge Carroll's Order

FRANKFORT, Ky. (AP) — Former state finance commissioner Charles Pryor Jr. says he hasn't decided whether to challenge Gov. Julian Carroll's order voiding his appointment as chairman of the state Tax Appeals Board.

In voiding the appointment, Carroll said Monday that the chairmanship was not vacant when the Sturgis banker was appointed to it on Dec. 23 by outgoing Gov. Wendell Ford.

Ford's order said Pryor was appointed "to the Kentucky Board of Tax Appeals replacing Mr. Alfred W. Manish, Carrollton, whose term has expired."

Pryor said he believes "there was a vacancy" at the time he was appointed, but said he didn't know what action he might take. "I haven't given it a great deal of thought," he said.

Mr. Pryor shall also serve as chairman of the board."

The immediate past chairman of the board, Jess B. Thomas, had submitted a resignation effective Dec. 31.

Carroll said Pryor "was appointed as chairman on the 23rd, and the position of chairman was not vacated until the 31st, so therefore I just merely voided the appointment."

The governor said he will now make two appointments to the three member board, to fill the chairmanship and Manish's position.

"I have some other individuals I'm going to appoint," Carroll said.

Pryor said he believes "there was a vacancy" at the time he was appointed, but said he didn't know what action he might take. "I haven't given it a great deal of thought," he said.

Pryor said he believes "there was a vacancy" at the time he was appointed, but said he didn't know what action he might take. "I haven't given it a great deal of thought," he said.

Pryor said he believes "there was a vacancy" at the time he was appointed, but said he didn't know what action he might take. "I haven't given it a great deal of thought," he said.

## Ford...

(Continued from Page 1)

tic and imported oil by \$3 a barrel, which might lead to a gasoline price hike of about 7.5 cents per gallon at the pump.

According to government sources, the massive additional tax and tariff revenues generated by the imposed oil price increase would somehow be returned to the public, perhaps through income tax cuts.

In other economic developments Monday: President Ford's public rating on keeping the economy healthy is now 86-11 per cent negative, a new low for a chief executive in modern times, the Harris Poll reported.

The U.S. automobile industry reported that Americans bought 23 per cent fewer cars last year than in 1973. The sales volume was the second worst performance in 11 years.

Statistics released by the Federal Reserve Board showed that consumers cut back on their indebtedness by a record \$402 million in November, reflecting a drastic drop in borrowing for new cars and personal loans. The figures gave further evidence of low consumer confidence in the economy's health.

### Hardin-Berley Lodge To Meet

Hardin-Berley Lodge No. 567 Free and Accepted Masons will meet Thursday, January 9, at seven p.m. at the lodge hall.

Work will be in the E. A. Degree and all members are urged to attend and visiting members are welcome, according to F. W. Barnett, master of the lodge.

## You're Never Too Old To Hear Better

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid ever made will be given absolutely free to anyone requesting it.

Send for this non-operating model now. Wear it in the privacy of your own home to see how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 2866, Beltone Electronics, 4201 W. Victoria Street, Chicago, Ill. 60646.

## State's New Leasing Policy Should Be Completed This Week

FRANKFORT, Ky. (AP) — Gov. Julian Carroll's chief executive officer in charge of state government transition says specifics of a new statewide leasing policy should be completed this week.

Terry McBrayer said Monday that negotiation of leases will be part of the state's new leasing policy.

The state's system of negotiating office space leases without public notice was ended last summer when Wendell Ford, then governor, ended it.

Bids are taken on all property and office space to be leased by the state.

But McBrayer and Finance Commissioner William Scent said the state lost money while the bidding system was in operation, sometimes receiving only one high bid when seeking space in a small community and sometimes receiving seemingly rigged bids of equal amounts, apparently from the same landlord.

McBrayer said the new leasing recommendations are the work of a five man committee appointed to study problems raised by the bidding procedure.

Gov. Carroll, whose 90-day freeze on state construction has stalled all current state leasing, said Monday he didn't know whether he would approve a leasing proposal involving negotiated contracts.

The current leasing policy is "confusing," the governor said. He said whatever policy is adopted will "reflect my considered opinion as governor and not the opinion, of course, of someone else in the administration."

### PRODUCTIVE REACTORS

While today's nuclear reactors use less than 2 per cent of uranium's potential energy, breeder reactors will be able to utilize about 60 per cent, extending the supply of uranium fuel from decades to centuries.

Good Thur. & Fri., Jan 9th & 10th
